Want your voice heard?

# Volunteer with the State League!

## What our volunteers have to say:

*“I joined the League to learn how to make an impact in politics. When I saw how successful a team of Leaguers could be, I knew I wanted to make an impact on an even larger scale - so I joined the LWVC Board and I am excited for all we can do together!”*

*“I love being part of the League — at all levels. I can see the tangible differences our work is making for all Californians. Getting to work with an amazing group of people makes all this even better.”*

*“The honor of serving gives me the opportunity to actually make a difference in politics!”*

## Opportunities

Do you want to have a voice in California’s League of the future?

As a grassroots organization, we value all voices. Your voice and your local League’s representation are crucial at the state level of leadership. You bring a valued and meaningful component to what we do. We know you want to be a part of it. We know you want to make a difference; that’s why you joined the League of Women Voters!

Our success depends on you – and the work you do in your communities to encourage participation in government. The network of Leagues across the state is a sharing community – a supportive community – for our common goals and our shared vision. What you bring to state leadership is invaluable; and what you bring home to your local League is priceless.

If you think, you’re not ready – you are! If you think you don’t know enough, you do!

Please consider being part of something special; something that matters; something that makes a difference. **Volunteer!**
