

SCHOOLS & COMMUNITIES FIRST

Restores Over \$11 Billion a Year for our Schools and Communities Services Does NOT Raise Taxes on Homeowners, Renters or Small Businesses

The League of Women Voters California, PICO California, California Calls, Advancement Project California and Evolve California have submitted a ballot measure to protect California from the Trump federal tax giveaway for millionaire, billionaire, and corporate landowners like himself.

The California Schools and Local Communities Funding Act of 2018 will:

Restore over \$11 billion
a year in revenue for
our schools and local
communities by
closing the Prop 13
Corporate Loophole.

NOT raise taxes
on homeowners,
renters, or small
businesses.

Helps small businesses
by eliminating the
burdensome business
personal property
tax while also leveling
the playing field for
new businesses.

**Mandate full
transparency and
accountability**
for all revenue restored
to California's schools
and local communities.

Trump's federal tax bill is a massive tax giveaway to large corporations paid for by raising taxes on Californians and slashing funding for our schools and vital community services. In California we have our own massive tax giveaway that benefits these same large corporations at the expense of homeowners, renters and small businesses.

The Prop. 13 Corporate Loophole allows a small number of large commercial property owners to avoid paying over \$11 billion every year in property taxes. In fact, only 8% of commercial properties get 77% of the benefit from this loophole.

Schools and local communities have already suffered from 40 years of disinvestment due to the Prop. 13 Corporate Loophole. Trump's massive corporate tax cuts will hurt Californians even more — our education, first responders, healthcare, and community services are all threatened. It's time to close this loophole and make large commercial property owners pay their fair share in order to restore vital funding for:

Schools and Community Colleges

Affordable Housing and Homeless Services

Parks

Libraries

Roads and Bridges

Public Transportation

Firefighters and First Responders

Health Clinics and Trauma Centers

The California Schools and Local Communities Funding Act of 2018 is the only fair way to restore billions of dollars of reliable revenue every year for our schools and local communities without raising taxes on homeowners, renters, or small businesses.

Join a growing statewide coalition of community groups, educators, parents, local community leaders and more than 250 organizations that are supporting this commonsense and desperately needed reform.
