

EMPOWERING VOTERS DEFENDING DEMOCRACY

ADVOCATE

As a grassroots organization, we engage at the local and state levels on legislative priorities and efforts to improve our elections. We mobilize to make sure that the issues that affect Californians are heard and resolved.

INFORM

Our members work year-round to register new voters, host community forums and debates, and provide voters with election information they need. In collaboration with our local Leagues, we build tools to keep elections accessible and make voting easier.

JOIN

Joining the League is a great way to play an active role in your community and in our democracy. **Become a League member today at lwvc.org/join and your dues will connect you with a network of grassroots leaders at the local, state, AND national levels.**
