

# THE HEALTHCARE MOVIE

Narrated by Keifer Sutherland

This 65-minute documentary tells the real story of how the health care system in Canada turned out to be so completely different from that in the United States, given that at one point they were essentially the same:

- How it originated
- How it works for ordinary Canadians
- How it is paid for
- How it compares to its American counterpart

## **AND DISCUSSION**

Explore questions this movie raises about healthcare in California:

- What does the national Affordable Care Act (ACA) mean for health care reform in California?
- How can California make health care affordable for everyone?
